

The Fremont County Board of Supervisors met in regular session on Wednesday, March 5, 2025, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:00 a.m. The agenda was approved as posted. Minutes of the previous board session were read and approved.

Let the record show that Recorder Tarah Berry, EMC Clayton Long, Attorney Peter Johnson, Sanitarian Caleb Hammons, and Tom Lorimor were present at this meeting.

Tom Lorimor met with the board to discuss the Airport Road intersection by Shenandoah. The old address for former Eaton's was 1600 Airport Road. It is now a receiving yard for tires and seed box trucks that come in from other places. Their GPS takes them to the left by the old airport road and they've had trucks end up on the runway. He would like signage up that says something to clarify that going left is a dead end. Supervisor Sheldon said he spoke to Engineer Davis about signage and he will meet with him today about what can be placed there. Shearer said he would talk to the company today to see if they could change the address to the correct address or if signage was an option.

Sheriff Kevin Aistrope sent a letter to the board requesting longevity pay for Deputy Steve Owen who was recently rehired. He has 28 years of experience in the sheriff's office. Chairman Blackburn stated he was fine with the longevity because he was able to be rehired and start without training. Motion by Shearer to approve the longevity pay for Deputy Owen. Motion carried unanimously.

The board discussed changing next week's meeting date. The ISAC Spring Conference in Des Moines is March 12th through the 14th. The board and auditor will go up on the 13th instead of the 12th. There is no change to the meeting date.

Supervisor Shearer asked Attorney Johnson if construction could continue on windmills before the whole lawsuit was settled. Johnson stated he would check it and give Shearer a concrete answer.

In other business, the Recorder's Monthly Report was approved for February.

Claims were approved for March 7th, 2025.

At 9:22 a.m., with no further business, Shearer motioned to adjourn. The motion carried unanimously.
