

The Fremont County Board of Supervisors met in regular session on Wednesday, May 6, 2026, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 8:08 a.m. Minutes of the previous board session were read and approved. The agenda was approved as posted.

Let the records show that no one else was present at this meeting.

Motion by Shearer to appoint Sherrie Brink to the Shenandoah Chamber and Industry Association Board as the citizen representative for Fremont County. Motion carried unanimously.

Tyler Woodward with Grape Community Hospital Foundation previously phoned to request that the green fees be waived as in years past for the Grape Community Hospital Annual Golf Tournament Fundraiser. They didn't send a request in writing as requested. Motion made by Shearer to table waiving the green fees until we get something in writing. Motion carried unanimously.

Robert Haege, Home Base Iowa Program Manager, phoned the board to discuss Fremont County becoming a Home Base Iowa Community. He said they have built a website for information to highlight resources available in all counties and want to get Fremont County signed up. It will show the job market and available jobs. He said it used to be financial incentives, but it doesn't have to be. He said they can work with us to create incentives that are meaningful and don't require huge financial backing. He said that it highlights the work we are doing to support veterans in Fremont County and across the state. Chairman Blackburn asked what it would entail. Haege said the website highlights the history of the county, incentives, resources, and the point of contact, that is typically the county veteran's services officer. The board stated that they would talk with our veteran's affairs director about this.

Claims were approved for May 8, 2026.

At 8:31a.m., with no further business, Sheldon motioned to adjourn. The motion carried unanimously.
