

The Fremont County Board of Supervisors met in regular session on Wednesday, May 27, 2026, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:01 a.m. Minutes of the previous board session were read and approved. The agenda was approved as posted.

Let the records show that no one else was present at this meeting.

No members of the board were able to meet with Supervisor Maher on Friday to view the ditch, so there was no information to make a decision. Motion by Sheldon to table action on Johnson Run Drainage Ditch until next week. Motion carried unanimously.

Supervisor Shearer stated that he spoke to the state about holding an election for supervisor districts. He said the soonest they could have a vote on it would be an odd-numbered year. He said the board could choose to do it themselves. Supervisor Sheldon pointed out the costs of a special election and the fact that supervisors should represent the whole county, not just one district. He thinks it creates divisiveness. Shearer stated they could choose with Plan 2. With that plan, everyone still votes for the three positions. Chairman Blackburn said in his opinion, it should be brought to a vote, not the board making the decision for the whole county. After much discussion, the board will keep the discussion going in the future.

Claims were approved for May 29, 2026.

At 9:28 a.m., with no further business, Sheldon motioned to adjourn. The motion carried unanimously.
