Circled letters on the form above correspond to the instructions on the following page. You must complete all shaded areas.

# I. APPLICATION INSTRUCTIONS FOR FPCA

- A Your Iowa Driver's License number or the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- Provide the complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway \_\_\_\_\_\_, 2 miles past Highway \_\_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- This form acts as a request for a mailed absentee ballot only. Iowa does not allow you to receive or return the absentee ballot electronically. See Section II.E or III.E.
- If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation in Block 5 when applying for a primary ballot (Example: Democrat or Republican). Political party affiliation is not required if only requesting absentee ballots for other elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA to the local election official. Your voter registration record will be changed to reflect the party named on your application.
- You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

# **II. UNIFORMED SERVICES**

## A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Iowa and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

# B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To request registration and/or an absentee ballot, the local County Auditor must receive your FPCA by 5:00 p.m. on the Friday before the election.

# C. Casting Your Vote

Ballot Return Deadline: Voted ballot must be postmarked not later than the day before the election. Mail your voted ballot to the local election official so that it arrives not later than noon on the Monday after the election.

Local election officials mail ballots approximately 40 days before primary and general elections. For other elections, ballots are mailed later but will be sent as soon as they are ready.

The affidavit on the ballot return envelope is the registration form. You will be permanently registered when you return the voted ballot, if you are not already registered.

You may also use the Federal Write-In Absentee Ballot. See instructions below.

## D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

# E. Electronic Transmission of FPCAs and Ballots

- Iowa allows you to send the FPCA for registration and absentee ballot request by fax. You must submit the original FPCA by mail.
- Iowa does not allow you to receive the blank ballot by fax
- Iowa does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

# F. Application for Registration and Ballot by Proxy

Within 70 days of the general election, your spouse, parent, parent-in-law, adult brother, adult sister, or adult child who

resides in your county of voting residence may request registration and an absentee ballot for you. Proxy applications must be on the official form, which is available from the County Auditors and the Secretary of State.

## G. Special Write-In Absentee Ballot

Iowa provides a state special write-in absentee ballot available 90 days before the general election if you are overseas and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. This special ballot is not available for the primary election, or any election except the general election.

The FPCA may be used to request this state special write-in ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.H. If no labels are available, write in Block 6: "To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot."

The state special write-in ballot must be requested not earlier than 90 days before the general election. Vote the ballot by writing in the names of specific candidates.

## H. Federal Write-In Absentee Ballot

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot (FWAB).

Iowa has expanded the use of the FWAB. The instructions described in Chapter 2 of this Guide remain the same, except that Iowa also allows the FWAB to be used to vote in state and Federal primaries and in general and special elections to fill vacancies in the U.S. House of Representatives and Iowa Legislature.

Iowa also allows the FWAB Declaration/Affirmation to be used as an application for registration if the person is otherwise eligible to vote in Iowa.

For further instructions on the FWAB see Chapter 2, page 21.

Instructions continue in Section IV: Uniformed Services & Civilians Outside U.S.

# III. CIVILIANS OUTSIDE U.S.

## A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Iowa and overseas citizens. The term "overseas

citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Iowa.

- Iowa residents temporarily residing outside the U.S.
- overseas citizens
- U.S. citizens who have never resided in the U.S. but have a parent who is eligible to vote in Iowa. These citizens are eligible to vote at the same voting residence claimed by their parent.

# B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To request registration and/or an absentee ballot, the local County Auditor must receive your FPCA by 5:00 p.m. on the Friday before the election.

# C. Casting Your Vote

Ballot Return Deadline: Voted ballot must be postmarked not later than the day before the election. Mail your voted ballot to the local election official so that it arrives not later than noon on the Monday after the election.

Local election officials mail ballots approximately 40 days before primary and general elections. For other elections, ballots are mailed later but will be sent as soon as they are ready.

The affidavit on the ballot return envelope is the registration form. You will be permanently registered when you return the voted ballot, if you are not already registered.

You may also use the Federal Write-In Absentee Ballot. See instructions below.

# D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

# E. Electronic Transmission of FPCAs and Ballots

- Iowa allows you to send the FPCA for registration and absentee ballot request by fax. You must submit the original FPCA by mail.
- Iowa does not allow you to receive the blank ballot by fax.
- Iowa does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

# F. Application for Registration and Ballot by Proxv

Within 70 days of the general election, your spouse, parent, parent-in-law, adult brother, adult sister, or adult child who resides in your county of voting residence may request registration and an absentee ballot for you. Proxy applications must be on the official form, which is available from the County Auditors and the Secretary of State.

## G. Special Write-In Absentee Ballot

Iowa provides a state special write-in absentee ballot available 90 days before the general election if you are overseas and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. This special ballot is not available for the primary election, or any election except the general election.

The FPCA may be used to request this state special write-in ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.H. If no labels are available, write in Block 6: "To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot."

The state special write-in ballot must be requested not earlier than 90 days before the general election. Vote the ballot by writing in the names of specific candidates.

## H. Federal Write-In Absentee Ballot

If you did not receive your state ballot in a timely manner, use the Federal Write-In Absentee Ballot (FWAB).

Iowa has expanded the use of the FWAB. The instructions described in Chapter 2 of this Guide remain the same, except that Iowa also allows the FWAB to be used to vote in state and Federal primaries and in general and special elections to fill vacancies in the U.S. House of Representatives and Iowa Legislature.

Iowa also allows the FWAB Declaration/Affirmation to be used as an application for registration if the person is otherwise eligible to vote in Iowa.

For further instructions on the FWAB see Chapter 2, page 21.

Instructions continue in Section IV: Uniformed Services & Civilians Outside U.S.

# IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

## A. Bars to Registration and Voting

Persons convicted of a felony or declared mentally incompetent to vote may not register or vote, unless the voting rights are restored.

# **B.** Cancellation of Registration

Registration is canceled after your name is on the inactive list for two successive general elections. A registration becomes inactive if the U.S. Postal Service indicates the voter has moved.

# C. Action on Registration Requests

The local election official will send an acknowledgment to the applicant at the mailing address provided on the FPCA.

## D. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, Iowa shall provide you with the reason(s) for the rejection. Persons denied registration or ballot should contact the Iowa Secretary of State for additional information.

# E. Voting by Citizens Who Have Never Lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

## F. Late Registration

Members of the Armed Forces or merchant marine who have been discharged within thirty days of an election may register and vote in that election by presenting the precinct election official with his or her discharge papers.
